Further details

1. Unless specifically stated otherwise in the 'Key Terms', all ancillary costs including but not limited to insurance, taxes (excluding GST), accessories, meals, drinks, maintenance, ongoing usage of appliances, transport, transfers, spending money, fuel, oil and services costs, safety gear to comply with state and territory regulations, in-room charges and any and all other expenses incurred as a consequence of receiving the prize are the sole responsibility of the winner.
2. Prizes are not transferable and are not redeemable for cash. The Promoter's decision is final and binding – no correspondence will be entered into. In particular, prizes may not, without the prior consent of the Promoter and any applicable third party supplier of the prize ("**Supplier**"), be resold or offered for resale at a premium (including via online auction sites) or used for advertising, promotion or other commercial purposes (including competitions and trade promotions) or to enhance the demand for other goods or services. If a prize is sold or used in breach of this condition, the Promoter or the Supplier may, at their absolute discretion, withdraw the prize(s). Where a prize has been withdrawn in accordance with this clause, no refund, substitute or compensation will be offered and if the prize is a ticket, the winner and any person has purchased or otherwise bears that ticket will be refused entry.
3. The Promoter accepts no responsibility for late, lost or misdirected entries or other communications. The Promoter assumes no responsibility for any failure to receive an entry or for inaccurate information or for any loss, damage or injury as a result of technical or telecommunications problems, including security breaches, theft or destruction, any cause beyond the Promoter's control, or unauthorised access to or alteration of the promotion. If such problems arise, then the Promoter may (where necessary with the approval of the relevant lottery authority) modify, cancel, terminate or suspend the promotion. Further, the Promoter at its sole discretion may recommence this promotion under the same conditions.
4. If any prize (or any portion of a prize) becomes unavailable for reasons beyond the Promoter's control, the Promoter may substitute a prize (or portion of a prize) of equal or greater value, subject to any written directions from the various authorities. Winners will not be entitled to any additional compensation in the event that the prize or portion of a prize has been substituted at equal or greater value.
5. In the event of war, terrorism, pandemic, state of emergency or disaster, the Promoter reserves the right to cancel, terminate, modify or suspend the promotion or suspend or modify a prize, subject to any written directions from a relevant regulatory authority.
6. All reasonable attempts will be made to contact the winners. If a winner does not claim their prize by the Second Chance Draw date, their entry will be deemed invalid and the Promoter may conduct the Second Chance Draw, subject to relevant regulatory authority instructions.
7. If an entrant's contact details change at any time between the date which they enter the promotion and the Second Chance Draw date, that entrant must notify the Promoter of their correct contact details immediately.
8. If there is a dispute as to the identity of an Eligible Entrant, the Promoter reserves the right, in its sole discretion, to determine the identity of the Eligible Entrant.

9. The Promoter reserves the right to request verification of age, identity, employment, residential address of winners and any other information from entrants relevant to entry into or participation in this promotion. Verification is at the discretion of the Promoter, whose decision is final. The Promoter reserves the right to disqualify any individual who provides false information, fails to provide information, is in breach of these conditions, provides entries that are offensive or otherwise inappropriate in the sole opinion of the Promoter, conspires with others to gain an unfair advantage or who is otherwise involved in any way in manipulating, interfering or tampering with the conduct of this promotion, or who has engaged in any unlawful or other improper misconduct calculated to jeopardise the fair and proper conduct of the promotion. The Promoter's legal rights to recover damages or other compensation from such an offender are reserved.
10. If consumers are required to purchase a product to enter, then it is a condition of the prize being awarded to the winner that the winner retain a clear copy of their original receipt (or invoice, where applicable) and provide it to the Promoter as proof of a valid purchase to enter this promotion.
11. Any cost associated with accessing the Promotion Website is the Eligible Entrant's responsibility and is dependent on the Internet service provider used. The use of any automated entry software or any other mechanical or electronic means that allows an Eligible Entrant to automatically enter repeatedly is prohibited and will render all entries submitted by that entrant invalid. Any contact details incorrectly entered on the website may invalidate an entry, in the Promoter's discretion.
12. The Promoter shall not be liable for any loss, damage or injury suffered or sustained (even if caused by negligence) as a result of accepting and/or using a prize or in relation to the promotion, except for any liability which cannot be excluded by law.
13. Any prize supplied by a third party supplier is subject to the terms and conditions of that third party supplier. The Promoter is not responsible or liable for any loss, damage or injury suffered by any winner as a result of the conduct of any third party supplier or otherwise as a result of the winner accepting and/or using a prize (even if caused by negligence), except for any liability which cannot be excluded by law. Nothing in these conditions restricts, excludes or modifies or purports to restrict, exclude or modify any statutory consumer rights under any applicable law including the *Competition and Consumer Act 2010* (Cth).
14. Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.
15. If in the conduct of this Promotion, the Promoter is liable for a breach of any guarantee, warranty, condition or other term that applies under the *Competition and Consumer Act 2010* (Cth) or is implied by any other commonwealth, state or territory law that cannot by law be excluded, the Promoter's liability under that legislation is limited, to the extent permitted by law, to the cost of replacement of any benefit or prize won.
16. Without limiting the previous paragraph, the Promoter and its associated agencies and companies will not be liable for any damage, loss or delay in transit to the prize.
17. Before the prize is awarded, the winner and any other person(s) sharing the prize with the winner may be required to sign an agreement to release the Promoter and/or the Supplier from any liability arising from the use or participation in the prize.
18. Entrants consent to the Promoter using their name, image and/or voice in the event that they are a winner in any media for an unlimited period of time without remuneration for the purpose of promoting this promotion (including any outcome) and/or promoting any products manufactured, distributed and/or supplied by the Promoter.
19. Entries remain the property of the Promoter. Details from entries, or if an entrant's Woolworths Rewards Card or Frequent Shopper Club Card was scanned or used as part of a condition of entry, the personal information of such entrant, will be collected and used for the purposes of conducting this promotion (which may include disclosure to third parties, the Promoter's related bodies corporate, agencies and contractors (including call centres, advertising agencies and direct mail houses) for the purpose of processing and conducting the promotion) and for promotional purposes, public statements and advertisements surrounding this promotion. For the purposes of public statements and advertisements, the Promoter will only publish the winner's surname, first initial and state of residence. By entering this promotion entrants consent to the use of their information as described and agree that the Promoter may use this information, or disclose it to other organisations that may use it, in any media for future promotional purposes without any further reference or payment to the entrant. The Promoter is bound by the Australian Privacy Principles contained in the *Privacy Act 1988* (Cth). A copy of the Promoter's privacy policy can be viewed on www.woolworths.com.au. Entrants may access, change and/or update their personal information by contacting the Promoter on 1300 908 631 during office hours or contact the Promoter in writing at privacy@woolworths.com.au.
20. These conditions are governed by the laws of New South Wales, and where applicable, each of the relevant States/Territories.
